

HELENA HIGH BOOSTER CLUB

WELCOME

Welcome to the new school year. The Helena High School Athletic Booster Club invites you to become a part of a group that cares about the good of our school and its students. Our function is to provide volunteers and financial support for various activities and programs at Helena High School. HHS Athletic Boosters firmly believes that when students, parents, faculty and community members are involved in school activities, students and the community as a whole benefits.

Funds are generated from 50/50 ticket sales, Bengal wear, Carnival Classic, Booster BBQ, and sponsor club membership drive. Recent projects that have been supported are activity pocket schedules; Pure Performance Navy Seal Presentation; Science Club National competition; student council BBQ, HHS training room update; HHS Band piano fund; several activity sponsor and banquet monies.

The Booster club offers funding to many of our school teams, helps purchase team equipment, and hosts end-of-season sports banquets for the athletes and their families. The club requires that a parent representative of each activity requesting funding be present at all Booster Club meetings throughout the school year. Organizations not meeting the minimum attendance requirement would not be eligible for funding the following school year. Parent Representatives serve as a liaison between the parents, coaching staff, and the Booster Club.

The Booster club meets the second Monday of each month at 5:30 p.m.
