**SENIORS NOT REGISTERING FOR MATH:**  
I have been advised that the Montana University System has Math proficiency standards that require a C or better in 4 years of high school math (or a 22 ACT Math score). I am waiving the recommendations of the HHS Counseling and Math Departments to sign-up for the next sequential math course in the college prep curriculum. I have been informed that all remedial math classes at the 2 and 4 year colleges will be noncredit and full tuition. Final math placement will be determined after 2nd semester grades are posted.

If you are signing up for a semester course, be sure to sign up for two semester courses with the same preference number so as to cover both 1st & 2nd semester.
